

## **LIST OF TABLES**

### **1.1 List of Tables**

- Table 1: Menopausal Disorders - Key Information
- Table 2: Menopausal Disorders - Key Facts
- Table 3: Menopausal Disorders - Key Therapeutic Areas
- Table 4: Menopausal Disorders - Pipeline by Stage of Development, 2013
- Table 5: Menopausal Disorders - Monotherapy Products in Pipeline, 2013
- Table 6: Menopausal Disorders - Combination Treatment Modalities in Pipeline, 2013
- Table 7: Menopausal Disorders - Phase II Pipeline, 2013
- Table 8: Menopausal Disorders - Phase I Pipeline, 2013
- Table 9: Menopausal Disorders - Pre-Clinical Pipeline, 2013
- Table 10: Menopausal Disorders - Pipeline By Therapeutic Class
- Table 11: Menopausal Disorders - Pipeline By Target
- Table 12: Menopausal Disorders - Pipeline By Route of Administration
- Table 13: Menopausal Disorders - Pipeline By Molecule Type
- Table 14: Menopausal Disorders - Recent Pipeline Updates
- Table 15: Menopausal Disorders - Dormant Pipeline Projects

### **1.2 List of Figures**

- Figure 1: Menopausal Disorders - Research and Development Overview
- Figure 2: Menopausal Disorders - Pipeline by Stage of Development, 2013
- Figure 3: Menopausal Disorders - Monotherapy Products in Pipeline, 2013
- Figure 4: Menopausal Disorders - Combination Treatment Modalities in Pipeline, 2013
- Figure 5: Menopausal Disorders - Pipeline By Therapeutic Class and Stage of Development
- Figure 6: Menopausal Disorders - Pipeline By Therapeutic Class
- Figure 7: Menopausal Disorders - Pipeline By Target and Stage of Development
- Figure 8: Menopausal Disorders - Pipeline By Target
- Figure 9: Menopausal Disorders - Pipeline By Route of Administration and Stage of Development
- Figure 10: Menopausal Disorders - Pipeline By Route of Administration
- Figure 11: Menopausal Disorders - Pipeline By Molecule Type and Stage of Development
- Figure 12: Menopausal Disorders - Pipeline By Molecule Type
